

SINGAPORE WOMEN IN SCIENCE

PRESENTS

AMANDA DAVIS

**CHAIR, INTERNATIONAL AGENCY FOR THE PREVENTION
OF BLINDNESS (IAPB) - WESTERN PACIFIC**

**DIRECTOR - STRATEGIC INITIATIVES
THE FRED HOLLOWS FOUNDATION**

OVERVIEW OF GLOBAL EYE HEALTH THROUGH THE GENDER LENS

Amanda Davis is the Chair of the International Agency for the Prevention of Blindness in the Western Pacific region. In this role Amanda works with over 50 member organisations and stakeholders in the region in developing evidence for more effective advocacy and programming, facilitating joint initiatives in the region and working on collective advocacy efforts in blindness prevention.

Amanda also holds the position of Director of Strategic Alliances with the Fred Hollows Foundation based in Australia.

**ZOOM SESSION
5:30 PM- 6:30 PM**
