

# Transforming the Healthcare Simulation Spectrum: Now, Next and Beyond

19 - 21 October 2022

Academia, Singapore

## PRE-CONFERENCE WORKSHOP

### Debriefing Basics

18 Oct 2022 (Tue) | 9.00 am – 4.00 pm | Academia, Level 2, L2-S3 Exp

#### ABOUT THE WORKSHOP

In this workshop, the basics of a good debriefing will be discussed with the participants, including the theoretical background and established debriefing techniques. While the workshop does not replace a full-fledged instructor course, it will help participants understand all the components of a successful debriefing and allow for some practical examples.
