

SingHealth Duke-NUS Scientific Congress 2025									
Congress Day 1 (Date: 19 Sep 2025)									
Start	End	Parallel Sessions							
		The NAK Auditorium	L1-S1	L1-S3	L2-S3 Combined	Whitespace	PSL 2	L2-S1	L2-S2
0730h	0830h	Registration							
0835h	0905h	Opening Ceremony							
0905h	0935h	Keynote							
0945h	1020h	Refreshments, Exhibitions and Poster Displays							
1025h	1110h	Innovation Awards Ceremony	VIP Networking Room	Human Genetics Plenary Human Genetics Guides Precision Medicine for Obesity and MASLD	Education and Faculty Development Symposium Empowering Faculty: Models and Strategies for Development and Support	Nursing Symposium 1 ‘Precision Nursing’ by Nursing Clinical Services, KKH	Obstetrics and Gynaecology Symposium A Lifecourse Approach to Maternal and Child Health: From Preconception to Population Health	Oral Health Symposium Innovation at NDCS	Surgical Symposium 1 Bridging Boundaries: Advancing Translational Research in Surgical Sciences
1120h	1205h	Innovation Plenary		Artificial Intelligence Plenary Generative Artificial Intelligence (GenAI) in Liver Disease and Cirrhosis Research and Care					
1205h	1305h	Lunch, Exhibitions and Poster Displays							
1310h	1355h	Emergency Medicine Innovation Plenary Three Models of Translating Innovation to the Bedside	Allied Health & Pharmacy Plenary Pivotal Research that Deines Tomorrow's Care for Low Back Pain	Oral Paper Presentation Health Innovation	Oral Paper Presentation Clinical Research (Senior)	Oral Paper Presentation Basic Science & Translational Research	Nursing Innovation Symposium CGH Nursing Transformation's Odyssey: Building an Innovative Culture	Nephrology Syposium Artificial intelligence in chronic kidney disease management	Surgical Symposium 2 Synergising Clinical Trials, Health Services Research, and Value-Driven Care: A Holistic Approach to Healthcare Improvement
1405h	1450h		Oral Paper Presentation Education Research	Oral Paper Presentation Population Health	Oral Paper Presentation Clinical Research (Junior)	Oral Paper Presentation Health Services & Systems Research			
1450h	1520h	Refreshments, Exhibitions and Poster Displays							
1525h	1655h	NursingSymposium 2 Transforming Nursing Through Innovation: AI, Patient-centered transformation and community integration	Allied Health Symposium Fostering a Work Culture of Empowerment, Resilience & Psychological Safety among Allied Health Professionals	Oncology Symposium Next-generation Precision Oncology Trials: Innovation and Future Directions	Ophthalmology Symposium Ophthalmic Nursing: Expanding roles, Enhancing Care	Medical Humanities Symposium From Ideas to Impact: What History can Teach Us?	Gerontechnology; Digital Health and Phenotyping Symposium Leveraging Technology for the Future of Cognitive Ageing in Singapore	SingHealth Residents Research Symposium Resident Researchers - The Next Generation of Academic Clinicians in Our AMC	Surgical Symposium 3 Innovation, AI and Digital Science in Surgery: Revolutionising the Operating Room and Beyond
1705h	1835h								Surgical Symposium 4 Global Surgery: Bridging Gaps, Building Capacity, and Advancing Equity in Surgical Care Worldwide

Congress Day 2 (Date: 20 Sep 2025)									
Start	End	Parallel Sessions							
		The NAK Auditorium	L1-S1	L1-S3	L2-S3 Combined	Whitespace	PSL 2	L2-S1	L2-S2
0730h	0830h	Registration							
0830h	0850h	AMEI Golden Apple Award							
0900h	0945h	Nursing Plenary Research on Maternal and Child Health – Sharing Experiences		Nephrology Plenary Artificial Intelligence in the Identification and Management of Chronic Kidney Disease and its Role in Patient Care	Mental Health Symposium Innovative Models of Mental Healthcare – Expanding Access and Impact Through Technology and Stepped Care	Lung Centre Symposium Rethinking Practice to Enhance Value in the Care of Patients with Respiratory Diseases	Breast Surgery Symposium Advancements in Breast Cancer Surgery: Innovations and Future Directions from SingHealth Duke-NUS Breast Centre	Patient-reported outcomes and value-based medicine Symposium Implementation and real-world utilization of patient-reported outcome and experience measures (PROMs/PREMs) in clinical care in Singapore	Nursing Research Symposium Tiered Approach to Developing Nursing Research Using Six Sources of Influence Model
0955h	1040h	Oral Paper Presentation Nursing	Oral Paper Presentation Allied Health & Pharmacists						
1040h	1110h	Refreshments, Exhibitions and Poster Displays							
1115h	1245h	Health Systems Symposium Health Systems Modelling for Future Health Systems	Patient Safety Symposium Leading Patient Safety Culture: Assessing the Landscape, Establishing a Framework, Developing a Global Tool, and Championing Strategies	Pharmacy Symposium 1 Pharmacy Academic Medicine	Nursing Oncology Symposium Nurses as Innovators in Advancing Oncology Care	Innovation Symposium	Artificial Intelligence Symposium Ambient AI Scribe in Healthcare	Meinfection Prevention and Epidemiology Symposium Advancing Infectious Disease Practice Through Technology and Innovation	
1245h	1345h	Lunch, Exhibitions and Poster Displays							
1355h	1525h	Critical Care Nursing Symposium Advancing Nursing Excellence in Critical Care: Innovations, Interventions, and Impact	Neuroscience Symposium Autoimmune Neurology	Pharmacy Symposium 2	Emergency Medicine Symposium Value of Interprofessional Collaborative Practice and Interprofessional Education in Emergency Practice	Family MedicineSymposium Advancing Hypertension Care in Singapore Primary Care	Bioethics Symposium Innovating Clinical Ethics in SingHealth—A Model for Singapore’s Healthcare System	Leadership Education Symposium Bridging the Gap: Innovative Solutions for Challenging Clinical Problems Without Clear Guidelines
