

# 6TH SGH CLINICAL PATHOLOGY FRONTIERS IN TECHNOLOGY WORKSHOP

## Chemical Pathology: Building on Laboratory Quality Essentials I

**Quality Today,  
Better Labs Tomorrow!**

**28 Nov 2023**

**SGH Academia**

- ✓ Essential quality tools
- ✓ Troubleshooting skills
- ✓ Immersive lab tour
- ✓ Interactive sessions
- ✓ Case studies

### Registration:

<b>\$200</b>	<b>Early Bird Registration</b> (till 30 Sept 2023) <b>SSP or Chapter of Pathologists Member</b>
<b>\$250</b>	<b>01 Oct to 31 Oct 2023</b>

### Limited Seats! Register NOW!

For program details and registration,  
scan the QR code to find out more!

For enquiries, contact Ting Ting at 65767502  
The event is pending 4 CME points approval.

### Who should attend:

- Medical Laboratory Technologists/Scientist
- Chemical Pathologist in-training
- Medical Students
- Laboratory Managers
- Biomedical Science Educators/Students
- Anyone keen to gain insights into a Clinical Biochemistry lab

**QUALITY  
BEGINS  
HERE!**

**Organised by**

Singapore  
General Hospital  
SingHealth
