SingHealth Duke-NUS Institute for Patient Safety & Quality

SingHealth Duke-NUS Quality & Innovation Day 2024

The annual event aims to celebrate the quality improvement efforts of SingHealth Institutions, and to inspire us to continuously improve and sustain change in our drive towards building high-reliability healthcare organisations for our patients and staff.

The 1-day programme is curated to keep our community informed of relevant improvement methods and tools, as well as hearing improvement and change efforts from within healthcare and invited speakers from other industries.

The event also gathers patient advocates from SingHealth Patient Advocacy Network (SPAN), healthcare students and overseas healthcare community who are members of the Global Action for Leaders and Learning Organizations on Patient Safety (GALLOPS).
