RESEARCH GRAND ROUNDS

Co-creating Innovative Solutions to Transform Healthcare Delivery System

Phillips Research is seeking out co-creation opportunities with the academic and scientific community to address clinical challenges and enhance the provisioning of care.

Join us to learn more about their research focus and collaboration experiences in developing new solutions that use Artificial Intelligence (AI) to pave the way for more sustainable and effective care delivery through innovation.

Wednesday, 18 May 2022
12:30pm to 1:30pm
via Zoom Webinar
