## **RESEARCH & INNOVATION GRANT CALENDAR**

The resource is a collaborative effort from SingHealth OOR (AMRI), SingHealth Duke-NUS AMII, SingHealth SHIP, SingHealth Duke NUS Joint Office of Academic Medicine (JOAM), Duke-NUS Centre for Clinician-Scientist Development (CCSD) and Duke-NUS Research Affairs.

1. It is intended only as a guide, and is pre-loaded only with major and/or scheduled/anticipated grant calls – at the national and cluster levels relevant to the larger community of R&I researchers. Specialized/ad hoc/programmatic grants may, or are likely, not included. For the latest and most complete information, please approach your RDOs, the funders or relevant offices directly.
