ECOS

SingHealth

Navigating the Ethics & Compliance Online System (ECOS)

The Ethics and Compliance Online System (ECOS) is a web-based platform which supports the research lifecycle from Study Initiation to Completion.

With the upcoming launch of ECOS, we will provide guidance to researchers on the following:

- ❖ General Function
- ❖ Minimum Training Certificates Submission
- ❖ Clinical Research Management System (CRMS)
- ❖ Institutional Review Board (IRB) Submission Process
