

BEYOND SCIENCE: ENSURING EQUITABLE ACCESS TO COVID-19 VACCINES AND THERAPEUTICS

A PROBE INTO LEGAL, ETHICAL
AND OPERATIONAL ISSUES

A 2-PART WEBINAR SERIES ON ZOOM

WEBINAR 2:

Operational challenges and the ground realities of enabling access to essential vaccines in the ASEAN region

Wednesday, 9 Dec 2020, 8-9pm SGT

Register: https://nus-sg.zoom.us/webinar/register/WN_02D3aW_Rj2Ey5ptgayaTg

This webinar will explore potential regional and international solutions that could be applied to address challenges related to procuring, manufacturing and distributing COVID-19 vaccines. A review of the complex interaction between international stakeholders and national authorities will be provided. Existing and potential solutions will be explored, including procurement and distribution facilitated through the COVAX Facility.
