

The Impact of COVID-19 on Health and Health Equity in the ASEAN Region

Webinar 2: Analysing of the impact of COVID-19 on maternal and child health in the ASEAN region

Webinar details:

8 Jul 2020, SGT 7pm - 8pm, Zoom

[Click here to register](#)

Synopsis:

This webinar will examine maternal and child health inequities in the ASEAN region and how the COVID-19 outbreak has and is further expected to impact existing health inequities. It will explore how the COVID-19 outbreak may alter specific health services such as vaccination programmes and maternal and newborn care. It will also discuss the long term effect of COVID-19 on maternal and child health programmes and offer some potential strategies to mitigate the negative impact.

Speakers:

Prof Courtney Davis (moderator)

Education Core Co-Lead, SDGHI & Staff Physician, KK Women's and Children's Hospital (KKH)

Mr Björn Andersson

Regional Director, United Nations Population Fund (UNFPA), Bangkok
