

## *The Impact of COVID-19 on Health and Health Equity in the ASEAN Region*

### Webinar 3:

## Applying a health inequity lens to the impact of COVID-19 on food security and nutritional status in the ASEAN region

#### Webinar details:

15 Jul 2020, SGT 7pm - 8pm, Zoom

[Click here to register](#)

#### Synopsis:

This webinar will provide an overview on the existing nutrition inequities and how they have been negatively impacted by the current health crisis. Join us as speakers respond to questions like: “How is COVID-19 and the associated economic down turn impacting food security?”, “How has maternal and child nutrition been impacted by the COVID-19 outbreak?” & “What is the long term impact and what are some potential measures countries in the region can take to decrease the impact of COVID-19 on undernutrition?”

#### Speakers:

#### **Prof Martin Bloem (moderator)**

Inaugural Robert S. Lawrence Professor and Director, Johns Hopkins Center for a Livable Future (CLF) in the Department of Environmental Health and Engineering, Johns Hopkins Bloomberg School of Public Health

#### **Dr David Dawe**
