

## *The Impact of COVID-19 on Health and Health Equity in the ASEAN Region*

### Webinar 4:

# How has COVID-19 impacted HIV/AIDs, TB and Malaria Programmes in the ASEAN Region?

#### Webinar details:

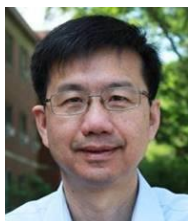

22 Jul 2020, SGT 7pm - 8pm, Zoom

[Click here to register](#)

#### Synopsis:

This webinar will explore the existing treatment and control strategies of HIV/AIDs, TB and Malaria in the ASEAN region and how the COVID-19 outbreak has and is expected to further impact such programmes. The speakers will address the likely impact of COVID-19 on mortality and morbidity rates due to modifications of HIV/AIDs, TB, and Malaria programmes. The challenges of protecting vulnerable populations will be addressed, while exploring opportunities for regional cooperation, alignment of funding and adoption of a health systems perspective.

#### Speakers:

#### **Prof Tang Shenglan (moderator)**

Deputy Director, Duke Global Health Institute, and Faculty, SDGHI

#### **Dr Marijke Wijnroks**

Chief of Staff, The Global Fund to Fight AIDs, Tuberculosis and Malaria
