

The Impact of COVID-19 on Health and Health Equity in the ASEAN Region

Webinar 5:

How has COVID-19 impacted Non-Communicable Diseases (NCDs) Programmes in the ASEAN region?

Webinar details:

29 Jul 2020, 7pm - 8pm SGT, Zoom

[Click here to register](#)

Synopsis:

This webinar will provide a brief overview of treatment and control of the leading cardio-metabolic NCDs in the ASEAN region and discuss how COVID-19 has impacted the management of those diseases. It will examine mitigation strategies and challenges faced on the treatment and control on NCDs by contextualising the discussion based on socio-economic determinants, needs of vulnerable populations and primary healthcare infrastructure.
