

AM FUNDING GUIDELINES (Funded by SingHealth AM General Fund)

S/N	Type of Expenditure	Description & Qualifying Conditions	Claimable under ACP Core Funding	Claimable under AM/ ACP Programme Funding etc.
<p>1. Manpower</p> <ul style="list-style-type: none"> - All ACP Core Funding and AM/ACP Programme Funding etc. expenses have to be incurred and claimed for reimbursement in the same Financial Year as the relevant approved budget. - Applicable to administrative support staff approved under ACP Core Funding or AM/ACP Programme Funding etc., but not applicable to staff who are ACP appointment holders or are PIs/Co-PIs of ACP Programmes. ACP Core Funding supports incremental administrative FTEs required to further the ACPs' activities in Academic Medicine and purports to defray the infrastructural cost incurred in hosting the ACP(s) in the institution. - From FY2019 onwards, no transfer of any amount into or from the approved ACP Core Funding Manpower Budget is allowed. - The approved budget is only for 12-month i.e. 1 Apr this year to 31 Mar next year. 				
1.01	Salaries, bonus/ incentive/overtime payments, CPF and fringe benefits including medical, dental, contribution to pension/provident fund, any other benefits in kind, etc.	Allowable as part of overall compensation to approved FTEs under ACP Core Funding and AM/ACP Programme Funding etc. provided such costs are incurred under formal established and consistently applied policies of the employing institution. The salaries offered to approved FTEs should be reasonable, in line with local market benchmarks and comply with formal established pay scale of the employing institution that are consistently applied.	√	√
1.02	Staff recruitment and related cost	Allowable provided such costs are incurred for the recruitment of approved FTEs under ACP Core Funding and AM/ACP Programme Funding etc. under formal established and consistently applied policies of the employing institution. Examples of such costs are advertisement and recruitment agency cost. Staff relocation, settling-in allowances, etc., are allowable for expatriate staff, provided such payments are made according to the formal established and consistently applied policies of the employing institution.	√	√
1.03	Training costs (incurred for both local and overseas training)	Allowable provided such costs are incurred in providing training to approved FTEs under ACP Core Funding and AM/ACP Programme Funding etc. under formal established and consistently applied policies of the employing institution. The AM Administrators Development budget of S\$1,000 per ACP funded administrator is meant to augment the training/development costs of ACP administrators and/or their planned successors (as approved by the ACP Chair). Whilst the AM Administrators Development budget is primarily for the development of administrators funded by ACP, a cumulative variation of up to 10% of annual budget is allowed for use by non-ACP funded administrators, subject to approval by ACP Chair and Joint Office of Academic Medicine's Authorized Officer. Please complete the "Request Approval for Non-Faculty and Non-ACP Funded Administrators" form and send to your Joint Office of Academic Medicine's point-of-contact.	√	√
1.04	Staff insurance	Only premiums will be funded for such plans if they are incurred under the formal established and consistently applied policy of the employing institution. Employing institution may be requested to certify that such payments made in relation to approved FTEs under ACP Core Funding and AM/ACP Programme Funding etc. are in accordance with its established policy or on the same terms as the other equivalent staff.	√	√

<p>2. Other Operating Expenses</p> <ul style="list-style-type: none"> - All ACP Core Funding and AM/ACP Programme Funding etc. expenses have to be incurred and claimed for reimbursement in the same Financial Year as the relevant approved budget. - ACPs may submit Form C (Guidelines on 18-months Academic Support Grant) to apply for a 6-month extension after the financial year-end to continue drawing down on any anticipated balance(s) in their Other Operating Expenses (component) Budget(s) in their Academic Support Grant (ASG) @ Host Institution. Such extended draw-down may only commence upon approval of Form C by Joint Office of Academic Medicine's Authorized Officer. This 6-month extension is not applicable to component budgets in the Work Breakdown Structure (WBS) @ Duke-NUS. The unutilised budgets in ACPs' WBS will be returned to the SingHealth AM General Fund within 3 months subsequent to Financial Year End. - Where expenses are fundable with other sources of funds, ACPs should maximize their claims against those funding sources before drawing from their ACP Funding. - Any type of expenses not mentioned in these Guidelines is not claimable. 				
2.01	AMEI education package & AMRI courses	<p>This funding is to support faculty development in the ACPs.</p> <p>The spending for this item must be through the ACP Duke-NUS WBS.</p> <p>Of the annual budget set aside for each ACP Duke-NUS WBS, Whilst the ACPs will each have a budget ring-fenced for spending on Academic Advancement (AA) (See Note A), their budgets for AMEI Funding comprises of 2 sub-budgets: (1) a S\$10,000 Core budget and (2) the balance of Non-core budget (See Note B). These budgets are subject to half-year review of actual usage.</p> <p><u>Note A</u> The AA Funding will cover expenses related to</p> <ul style="list-style-type: none"> - fees charged by AMRI, - Academic Purchases (typically consist of subscriptions for books/periodicals/journals, books and purchases related to academic events/activities), - Duke-NUS pedagogical type of course (only applicable to Duke-NUS faculty), - Academic trips for incoming visitors from Duke Durham, and expenses relating to Duke Durham Visitor(s) collaborating with ACPs and the concerned incoming Duke Visitor(s) must be hosted by the ACPs in Singapore, - supplementary AMEI funding (if any). <p><u>Note B</u></p> <p>1.The S\$10,000 Core budget will be billed to the ACP by AMEI in the 1st half of each FY to pay for AMEI's provision of core faculty development and education administrative support. This lump-sum funding enables both faculty and non-faculty to attend AMEI's core programmes.</p> <p>2.The Non-core sub-budget is for non-core and customized programmes and consultations with AMEI. 80% of this funding is ring-fenced for faculty use and the ACP will be billed half-yearly based on completed training and consultations.</p> <p>In this context, a faculty is a staff member of SingHealth or Duke-NUS with a faculty academic appointment (e.g. Prof, Assoc Prof, Asst Prof and Instructor level in Duke-NUS) that is accorded by one of the local medical schools (namely, Duke-NUS, NUS YLL and NTU LKC) and working within the ACP. A SingHealth Resident, unless he/she has been accorded an academic appointment by Duke-NUS, is not a faculty.</p>	√	X
