SingHealth Duke-NUS Institute for Patient Safety & Quality

SingHealth Duke-NUS Quality & Innovation Day 2021

The annual event with more than 700 participants aims at bringing together healthcare thought leaders, clinicians, researchers, educators and students, to inspire and enable the community to constantly improve care quality and safety for our patients as well as our healthcare workers. It is also a learning platform for domain experts to share their experiences and expertise, as well as to celebrate the innovation and quality improvement efforts and achievements of our SingHealth staff.

The SingHealth Duke-NUS Quality & Innovation Day 2021 provides an opportunity to showcase Quality Improvement projects across the Cluster.
